# CO

Founded in County Cavan in 1952, Flair have built up a trusted reputation as a specialist in the production of quality shower doors and bath screens. Our reputation has stood the test of time, making us the oldest manufacturer of our kind in Ireland. We are proud to be a brand of choice for customers.

With an unwavering commitment to customer care, Flair combine lifelong knowledge and expertise with advanced production techniques. We offer innovative designs that bring a new sense of enrichment to the bathroom and enjoyment to our customers.

The perfect blend of function and form. Designed for life.

# AYO ORIGIN

# THE AYO 8MM ORIGIN COLLECTION

Create a modern minimalist look with the stylish elegantly designed AYO Origin 8mm Wetroom Screen.

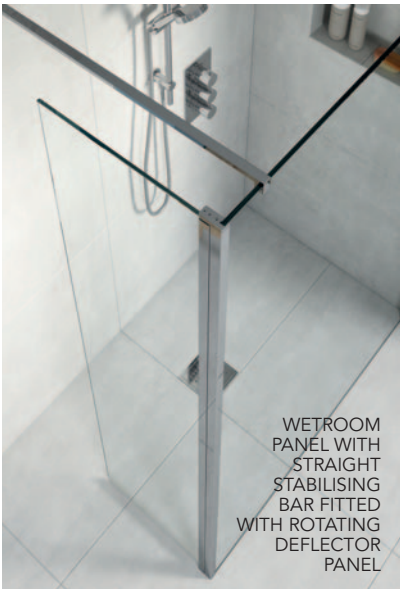

These stylish 8mm glass panels incorporate the aluminium frame bonded directly to the edge of the glass. Each AYO Origin panel is supplied with a stainless steel stabilising bar providing you with the assurance of quality and the reliability customers have come to trust from Flair.

With toughened safety glass, hidden fixation points and and hydrophobic coating the AYO Origin wetroom is the ideal choice for your busy bathroom routine.

A protective U-Channel is supplied as standard, allowing a rotating panel to be retrofitted at a later stage.

CARA LAMINATED  
GLASS SHOWER DOORS

The Cara shower door range is not just inclusively designed, it also offers the greatest standards of safety in the bathroom sector today.

Laminated glass technology is applied to each door style in the range. This means that in the unlikely event of a breakage, the glass will remain integral due to the polyvinyl butyral (PVB) interlayer.

### SHOWER TRAY INSTALLATION

All shower trays must be installed as per instructions supplied. Install on a base of fine sand, cement and cement additive Please note: Silicone sealants, foams, mastics, installation compound adhesive or similar must not be used as a substitute for cement. Ensure shower tray is 100% level and water test to ensure water is draining correctly. If not satisfied at any stage do not proceed with fitting. Fitting of Shower Tray is acceptance of quality.

### SLIMLINE TRAY WITH EASY PLUMB KIT

# FLAIR EASY PLUMB KIT

Flair slimline easy plumb shower kits have adjustable legs to comply with building regulations to assist in installation and for maintenance of waste outlets if required after building settlement.

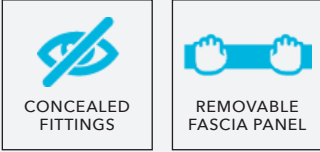

The Flair slimline easy plumb kit provides this access without compromising on style in the bathroom.

An easy plumb tray can be made by using any of the Flair slimline trays and a kit. This will increase the height of the tray by 95mm.

Accessories are not to scale - for visual representation only.

OTHER INFORMATION

GUARANTEE

Your Gemstone tray must be inspected 100% before installation. Fitting of tray is acceptance of quality. Please read fitting instructions fully before installation.

Before tiling and placing the screen or any other fixed material on the shower tray, please make sure that the perimeters of your tray are 100% level in all directions.

The guarantee only covers the replacement or repair of the product and excludes any other compensation, assembly or travel costs.

Gemstone Trays are guaranteed for 2 years, in accordance with current European regulations.

- The following are excluded from the guarantee:**
- Damage caused by misuse
  - Damage caused by the use of unsuitable cleaning materials (do not use products containing acids, alcohol, chlorine or solvents, do not spill drain cleaners onto the shower tray, do not use metallic or scouring pads)
  - Damage caused by improper installation
  - Damage caused by the improper handling of the product

Our products must be installed by qualified personnel to be eligible for the product guarantee. An installation guide will be delivered with the tray for its proper placement.

**Before installing the tray you should make sure that:**

- The tray drains well and is 100% level
- It has no anomalies
- **The tray has been stored in a horizontal position, on a flat surface, until installation**

CLEANING

- Routine: rinse and leave to dry
- Thorough: rub with a soft cloth with neutral liquid detergent; for limescale prevention use an anti-lime product

**Please note, Gemstone Trays are manufactured from a natural stone resin composition. You must allow for a tray thickness tolerance of 2 - 3mm.**

CHEMICAL TESTS

Chemical resistance tested in accordance with UNE-EN 12527 - No deterioration.

CHEMICAL TESTING COMPOSITION

Acetyl acid (10%), sodium hydroxide (10%), ethanol (70%), bleach, methylene blue (1%).

CLEANING SOLVENT (PRODUCT)	EXPOSURE TIME (DAYS)	RESULT OF VISUAL INSPECTION
Don Limpio Neutral PH	4	No Visible Effect

Nail Polish Remover	4	No Visible Effect

PACKAGING AND STORAGE

The products are delivered packed in individual boxes with expanded polystyrene reinforcements, including the drainage grate. **Gemstone trays must be stored in a horizontal position on a flat surface until installation. This prevents the tray from losing shape.**

FAQ

**Can it be cut?**  
Yes, with a diamond cutting wheel.

**Can it be repaired?**  
Although they are highly resistant to any impact, we have a repair kit available to the customer. Please contact us on 00353 42 966 8000 to order your Gemstone Tray repair kit. Lead time applies.

**How should the product be cleaned?**  
We recommend cleaning with water and neutral soap, applied with a sponge, never with scouring products or tools.

**What material should I use to install the products?**  
Your Gemstone tray must be installed on a fully level glue-cement or mortar base. For sealing the product, it is recommended to use MS flexible polyurethane sealant and / or a neutral silicone.

# INFORMATION

## LIFETIME GUARANTEE

Flair Shower doors and Wetroom screens are covered by a lifetime guarantee against manufacturer defect. This guarantee is valid on the condition that goods are installed and maintained in accordance with our instructions and best practice.

**Non glass and detachable parts such as rollers, seals etc. are subject to normal wear and tear during usage and are under guarantee for 12 months from time of purchase.**

## 10 YEAR GUARANTEE

Flair Bath Screens are covered by a 10 year guarantee against manufacturer defect. This guarantee is valid on the condition that screens have been installed and maintained in accordance with our instructions and best practice.

Non glass and spare parts such as rollers, seals etc. are subject to normal wear and tear during usage and are therefore under guarantee for 12 months from time of purchase.

If a Flair shower enclosure is defective in materials or manufacture, the consumer should contact the sales office on +353 42 966 8000 as soon as the defect is discovered.

Please note: Proof of purchase is necessary to validate your guarantee so retain purchase receipt for your Flair product.

## INSTALLATION

Full installation instructions are provided with each Flair product to ensure correct installation. Shower Doors, Wetroom Screens and Side Panels are adjustable between the dimensions stated. All dimensions are approximate. All Flair products are reversible unless otherwise stated.

## SHOWER TRAY INSTALLATION

All shower trays must be installed as per instructions supplied. Install on a base of fine sand, cement and cement additive. Please note: Silicone sealants, foams, mastics, installation compound adhesive or similar must not be used as a substitute for cement. Ensure shower tray is 100% level and water test to ensure water is draining correctly. If not satisfied at any stage do not proceed with fitting. Fitting of Shower Tray is acceptance of quality.

## GLASS TREATMENT SYSTEMS

Flair Shower doors, wetroom panels and bath screens are supplied with a special glass coating designed to reduce limescale build up and make cleaning the glass easier.

WITHOUT TREATMENT

WITH TREATMENT

This special glass coating guards against limescale and the grime of everyday showering. It makes the glass easier to clean without the need for harsh abrasives and cleaners. Clearshield glass coating is available across the Namara range.

## CLEANEASY

Cleaneasy glass coating is a standard feature on all Flair shower doors, wetroom screens and the FBS bath screen range. This easy to clean glass coating is applied to the glass surface and ensures that soap deposits and lime scale are easily cleaned off the glass.

## QUALITY GUARANTEE

All Flair products are CE approved and manufactured in accordance with ISO 9001:2000 Quality Assurance systems. All glass is toughened safety glass and produced to EN12150. Flair products are performance tested to EN14428, ensuring the highest industry criteria is met.

## AFTERSALES & SPARE PARTS SERVICE

Flair is 100% committed to customer service excellence. We carry a full range of spare parts for each of our product ranges and have dedicated aftersales representatives to deal with any issues you may have. If you would like to talk to our customer aftercare team, please contact us on +353 42 966 8000 or sales@flaishowers.com.

## CONDITIONS OF SALE

Unless otherwise stated, all price quotations are subject to acceptance within 30 days of date of issue. Other than in the case of faulty goods/ incorrect despatch, Flair will not accept the return of any product.

**AS PART OF OUR CONTINUING POLICY OF PRODUCT IMPROVEMENT, WE RESERVE THE RIGHT TO AMEND SPECIFICATIONS, COLOURS AND PRICES WITHOUT PRIOR NOTICE.**

\*Errors and Omissions Exempt.
